### **Valentines Day Luncheon**

The Fred M. & Anita Bruni Community Center hosted a Valentines Day Luncheon for the residents of Peñitas. The residents were served a delicious steak with vegetables and a roll. They had a great time, enjoying their food and conversation with their friend and neighbors.

### **Clothes Donation**

Also this month we were fortunate to have received a big donation of clothes which was a great help to many colonia families from Peñitas. There were all sort of clothes that were given away, including school uniforms and a lot of baby clothes. The residents were all very appreciative of this donation.
