

# La Presa Community Center

June/2015

Doctor's Hospital Mobile Unit staff came to La Presa Community Center to make regularly check-ups for the residents of Webb County.

Ms. Andrea Montalvo (nutritional Coordinator) from South Texas Food made a presentation to the elderly about eating smart and living strong.

We celebrated Father's day with a Luncheon for the wonderful fathers of La Presa. They ate Brisket, homemade potato salad, rice and dessert.
