

La Presa Community Center Commissioner Frank Sciaraffa Pct. 1

September/2015

Mrs. Otila Garcia from Driscoll Health Plan came to do a presentation on the importance of having a health plan. She as well spoke about personal hygiene and how to protect ourselves from spreading germs.

We celebrated El Dieciséis de Septiembre with dancing, playing lotería, and ate enchiladas mexicanas, fajita, rice and beans.

We pampered our ladies elderly in a day of beauty with a manicure.
