

La Presa Community Center

May 2016

Cinco de Mayo is holiday time in Mexico! And, also at La Presa Community Center. Our members celebrated May the 5th with sombreros, Mexican dresses, mariachi music and more. Texas A & M Colonias Program and Cigna Health also joined the fun with **LOTERIA**, and fun prizes. But, the month of May also brought some much needed health services to the community. Webb County Indigent Health Care provided immunizations to adults and children. Vaccines were offered to fight off chicken pox, hepatitis, the flu, pneumonia, shingles and other illnesses. For more information on these services call (956)523-4745.

Happy Birthday!!!

La Presa Community Center also celebrated the May birthdays of two of our members, and a staff employee as well. Best wishes to Mrs. Blanca Sanchez, Mr. Joe Covington, and Andrea Morlaes!
