

RIO BRAVO COMMUNITY CENTER

COMMISSIONER FRANK SCIARAFFA

SEPTEMBER 2015

Our center celebrated the Mexican Independence Day with a luncheon. The members enjoyed a Mexican cuisine accompanied by some delicious des-

serts.

AgriLife joins our elderly every Tuesday to educate our elderly in the im-

portance of healthy eating. Our elderly participate, interact, and enjoy the healthy snacks the representative demonstrates in preparing for them.

On September 23, 2015 these two agencies came to educate our community on the importance of safety when answering the door to unknown people. These agencies donated and installed peephole doors for our community. They also helped in answering concerns the community had.

A friend of the family

A representative gave our elderly a visit

to explain to them the different plans and offers this health plan has to offer. They also received a couple of gifts that they really

CAVIDDA

In this presentation the elderly received information about elderly abuse. They were informed of their rights and what they can do to prevent this abuse on them.
